Dear Brian:

As you know the Wisconsin Environmental Education Board would like to add two members to the board. Last fall, letters were sent to the Governor's office making this request (see enclosed).

Barry has indicated that neither the additional seats nor the \$5,000 we requested for administrative expenses was included in the Governor's proposed budget. We would like you to make motions via the Joint Finance Committee process to add the two seats and the funds (or combine them into one motion if you see fit). Also, please see next page of this letter.

Since I am not a lawyer, and since I did not go to school in Wisconsin I have limited knowledge of Wisconsin's legislative/budget system. Therefore, I'd ask that one of your aides check the statute references and suggested language prior to introducing the motions.

Motion one:

15.915 (6) (b) 6. h. of the statutes is created to read:
15.915 (6) (b) 6. h. Forestry.

Motion two:

15.915 (6) (b) 6. i. of the statutes is created to read:
15.915 (6) (b) 6. i. Energy

Motion three:

The schedule under section 20.005 (3) of the statutes for appropriation to the board of regents of the University of Wisconsin System under section 20.285 (1) (a) of the statutes, as affected by the acts of 1995, is amended to read:

The schedule under section 20.005 (3) of the statutes for appropriation to the board of regents of the University of Wisconsin System under section 20.285 (1) (a) of the statutes, as affected by the acts of 1995, the dollar amount is increased by \$5,000 for fiscal year 2001-2002, to provide administrative funds for the environmental education board.

You may be interested in knowing that:

- when the Board was created in 1990, the administrative budget was \$36,000. However when it was transferred from DPI to UW-System in 1997 the budget for the 1996-97 fiscal year was \$32,900.
